CLASS NEWSLETTER Summer 2026

Year 6

We have arrived in the Summer Term and what a jam-packed few months we have ahead of us! Year 6 have so much to look forward to including our Residential to PGL and their end-of-year Production to name just a few of the exciting events ahead. We are so excited about making lots of special memories before our Y6 children head off to High School.

PE DAY

Y6 PE day will continue on a Friday.

The children will attend school in their full PE kit (Plain white round neck T-shirt/ Chapel End T-shirt with red sleeves, plain red shorts, plain red sweatshirt/ hoodie, plain black jogging bottoms, trainers suitable for indoor and outdoor physical activity.)

This term our PE units are the following:

Athletics followed by Orienteering

Homework:

Most of the children's homework for Summer 1 will be from their Revision Books (CPG Maths and English).

During Summer 2, homework will include learning parts/lines for the Year 6 Production and a variety of other tasks relating to the wider curriculum.

Reading homework:

Key Stage 2

Your child is expected to read for 10 minutes each evening with an adult. Please use the reading records to record this.

Children are able to bring a healthy snack in for morning playtime - please ensure your child's name is on the snack as children often bring in similar or same snacks. Milk is available—please contact the office if you would like your child to have milk. Children can bring water bottles in and these are stored in table boxes and are readily available. Please ensure water bottles are named.

CLASS NEWSLETTER Summer 2026

Year #

English

This term, we do not have a particular core text. We will be completing our work on *The Giant's Necklace* by Michael Morpurgo as well as using various video clips to inspire our writing.

This term, our reading will focus on revising all of the key reading skills: retrieval, prediction, inference, summarising, vocabulary, word context etc.

Grammar will be taught using the texts as a vehicle and through revision resources.

Our 2 pieces of extended writing this half term are a diary entry and a flashback based on *The Giant's Necklace*.

Maths

This term, we will be revising all previously-taught topics. We will then be re-visiting some of the previous topics but in greater depth.

Our Summer Term Curriculum
