11<sup>th</sup> May 2026

It has been good to return to school after my absence. I would like to thank everyone for their good wishes and support over the last few months. I received so many messages of concern for my health and am sure that this helped me through a very difficult time.

I also thank all the staff who have worked incredibly hard, as well as Freda Davies and Claire Green who stepped in to cover my absence. Claire Entwistle and Claire Knight did a brilliant job, taking on their extra responsibilities and it was good to know that everyone worked so well together as a team, something that they are all very good at. I have now returned to work full time and look forward to seeing all of you around school.

### SATs WEEK

Good Luck to all our Year Six pupils this week, as they complete their tests. They have worked so hard in preparation and we are sure that they will all do their best. Thank you to Mrs Tench for helping them to prepare so well.

### SCHOLASTIC BOOK FAIR

Thank you for supporting our Book Fair. It was great to see so many children being enthusiastic about their book choices.

### SCIENCE WEEK

We are really looking forward to our Science Week and all the activities which have been planned to excite the children about STEM activities. As always, staff have put a lot of effort into the planning and organisation of these events and we are sure that everyone will learn a great deal.
