A Quick Hello

As we move further into the autumn term, our school continues to be filled with learning, laughter, and achievement. It has been a wonderful start to the season, with pupils embracing new opportunities, showing kindness to one another, and working hard in all areas of school life.
We hope you enjoy reading about school life in our newsletter and it helps to strengthen the home-school partnerships already in place.
With thanks,
Mrs Claire Green

Class 2 this Week

Class two has been busy with hands on learning this week. As part of their science lesson, the students used gym equipment to recreate the water cycle. Making science fun, active and engaging, whilst helping them explore how water moves through the environment.

And in art, the children are continuing their cave art, learning about the Neolithic and Paleolithic eras by using charcoal to sketch and shade hand outlines.

In Worship this Week

As we celebrate Harvest, we are reminded of how fortunate we are to be part of such a caring and supportive school community. We are thankful for the laughter, kindness, and friendships that fill our classrooms each day, and for the families, staff, and children who make our school such a special place. Harvest is a wonderful opportunity to reflect on all we have and to think of those who may need a helping hand. Together, we can make a positive difference by showing gratitude, compassion, and generosity to others.
Thank you to everyone who has been able to donate items for the Harvest collection for the foodbank. Your generosity is much appreciated.
