

Horn's Mill
Primary School

What will we be learning this week?

Week Beginning – 4.11.23 & 11.12.23

Horn's Mill
Primary School

Our child-led learning this week will be focusing on...

UTW & EAD – The Christmas Story

We will be giving children opportunities to:

- To hear and explore 'The Christmas Story'
- To learn about why Christmas is celebrated
- To continue to take part in Christmas festivities

Don't forget to send into school any WOW moments which happen at home!

In Maths...

Over the next two weeks, we will be exploring 2D shapes. We will play different games to recognise and name the shapes 'circle' and 'triangle', as well as recognise these shapes around the classroom environment. We will create shapes and learn about the properties of these shapes. We will also explore night and day and order our daily routine.

In Literacy....

We will be working hard on our Christmas books over the next two weeks. Children will be writing their own version of 'The Christmas Story'. This will include some writing to showcase our developing letter formation and phonics skills, as well as some pictures and crafts to match. We can't wait for you to see them, once they are finished!

As part of our class phonics...

Children will now complete their daily phonics teaching in smaller reading groups, taught by different adults. In class, we will be reviewing all Set 1 sounds together and working on our oral blending skills. We are currently focusing on reading the tricky words *I, the, no, of, my, to*. During shared writing we will be focusing on hearing and representing initial and some subsequent sounds.
