

Team 1 - Spring 1: Home Learning

This half term, our learning theme is: Finding Magic in the Everyday

The text we will be using to support this learning is: Grandpa's Gift

You can support your child's learning at home in the following areas:

<u>Maths</u>

This half term we will be learning about: Numbers to 20.

We will be learning how to count and write numbers to 20, compare and order the numbers, and to see patterns within 20.

This link has different games that may support your child/ren to become more confident with this area https://www.topmarks.co.uk/maths-games/5-7-years/addition-and-subtraction

This half term we will be utilising Numbots which focuses on those early addition and subtraction facts to 20. This knowledge is vital to support your children as these are the key mathematical building blocks for learning higher up the school. Please try to spend some time each week on this.

You will find your child's login in their Reading Records.

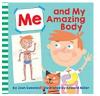

<u>Spelling</u>

The children will be learning the following words this half term:

we, here, said, my, me, there, our, so, are, where, once, pull.

Recommended reads for this topic:

Me and My Amazing Body - Joan Sweeney & Ed Miller

The Big Book of the UK: Imogen Russell Williams

<u>Reading</u>

Our spotlight author this half term is: **Mini Grey**

Download the BorrowBox app to download and read books free

from the library. https://apps.apple.com/app/borrowbox-library/id562843562

If you would like to enrich learning further, here are some practical activities:

- . Create a life size drawing of yourself and label all the different parts of your body.
- . Ask a relative how things are different nowadays to when they were young.
- Visit the library and explore books by our spotlight author Mini Grey and write a book review.

Don't forget to tweet us @HMillSchool to share what you have been getting up to.
