

Horn's Mill  
Primary School

# What will we be learning this week?

Week Beginning – 22.1.24

Horn's Mill  
Primary School

Our child-led learning this week will be focusing on...

## UTW: Toys from the Past

We will be giving children opportunities to:

- Explore toys from the past
- Compare toys from the past to toys now
- Create their own toys

Don't forget to send into school any WOW moments which happen at home!

## In Maths...

During our maths focused sessions this week, we will be focusing on ordering numbers and knowing the the correct order from 1-5. Children will use the Numberblocks to help them create a number 'staircase', that will visually show the increased amount in numbers 1-5. Children will match numerals, create their own numberblock figures using different resources.

## In Literacy....

We will be continuing with our class text in Literacy the week called 'Let's all Creep through Crocodile Creek'! We will be focusing on specific vocabulary from the text – *knobbly*, *clambered*, *vines*. Children will practice using this language in context. As the story goes on, matching phonics activities linked to the narrative will support children's early writing skills and letter formation.

## As part of our class phonics...

Children will now complete their daily phonics teaching in smaller reading groups, taught by different adults. In class, we will be reviewing all Set 1 sounds together and working on our oral blending skills. We are currently focusing on reading the tricky words *my*, *no*, *to*. During shared writing we will be focusing applying the phonics we know to spell words.
