

Team 3 Summer Home Learning

This term, our learning theme is: Journey's of Discovery.

The texts we will be using to support this learning are: Amazing Rivers by Julie Vosburgh Agnone and Zeraffa Giraffa by Dianne Hofmeyr. Here are some suggestions to support your child's learning at home:

Maths

This term we will be learning about:

- Telling the time to the nearest minute.
- Fractions; counting in tenths, equivalent fractions, finding fractions of a set of objects, comparing and ordering.
- Recognising right angles and understanding how these relate to turns.

Times Tables

This term we will be consolidating learning the following times tables-

4 and 8

We will be having a strong focus on the related division facts this half-term.

For example:

$$2 \times 4 = 8$$

$$4 \times 2 = 8$$

$$8 \text{ divided by } 2 = 4$$

$$8 \text{ divided by } 4 = 2$$

It will support your child's Maths to use

TTRockstars at least 3 times a week. They can also practise using <https://www.topmarks.co.uk/maths-games/hit-the-button> They will

have a times tables lesson every week to monitor and support their progress.

Spelling

We will be learning the following common exception words this term:

Caught, experiment, famous, history, island, learn, natural, minute, hour, calendar, knowledge.

Recommended to read together

Children are encouraged to **read for 10 minutes, 5 times a week at home** and to **record this in their reading record at least once per week.**

Reading

Our spotlight authors are:

Michael Morpurgo and Andy Shepherd.

Download the BorrowBox app to download and read books free from the library.

If you would like to enrich learning further, here are some suggested practical activities:

- Create your own Egyptian pyramids using junk materials.
- Make a travel brochure for someone who is interested in learning about Ancient Egypt. Where should they visit? What should they see?
- Make your own shadow puppets and put on a shadow puppet show for your family.
- Enjoy a trip to the River Dee.
