

Horn's Mill  
Primary School

# What will we be learning this week?

Week Beginning – 18.3.24

Horn's Mill  
Primary School

Our child-led learning this week will be focusing on...

## UTW: The Natural World - Spring

We will be giving children opportunities to:

- Explore the features of Spring
- Know what our world is like in the Spring
- Complete a Spring Nature Walk
- Explore the story 'The Journey Home'

Don't forget to send into school any WOW moments which happen at home!

## In Maths...

This week, the children will consolidate their understanding of the composition of numbers by investigating the numbers within 7. The children will deepen their understanding of a whole being made up of smaller parts through games and practical experiences, such as investigating the number of ducks on a pond. They will begin to recognise that number can be made by combining parts in different ways.

## In Literacy....

We will be coming to the end of our class text this week. We will be focusing on the ending to the story and discussing the surprise twist. Children will think about becoming pirates and what they need to wear. They will be learning sea shanties and deciding if a pirate life is for them. Using the Mighty Writer mat, children will be creating and performing their own pirate stories.

## As part of our class phonics...

Children complete their daily phonics sessions in smaller reading groups, taught by different adults. In class, we will be reviewing all Set 1 special friends together and introducing set 2 sounds, including **ow** and **ir**. We are currently focusing on reading the tricky words **he**, **your**, **said**, **are**. During shared writing we will be focusing applying the phonics we know to spell words.
