

Geography

In Geography, we will create a map of the UK, including the 4 countries, surrounding seas and Helsby and identify compass directions. We will be identifying the continents of the world.

History

In History, we are going to explore various historic events earlier than the 1930s, including the Wright brother's first aeroplane flight.

Music

In Music, we will learn understand the term dynamics.

RE

In R.E, we will be identifying key aspects of the Christmas story and explain why Jesus was good news for Christians.

HABITATS

Science

In Science, we will be exploring living things and their habitats within our school woodland environment. We will also identify and compare the suitability of a variety of everyday materials for particular uses.

PE

Our P.E units will be Team Building and Gymnastics.

PSHE

Our My Happy Mind units are Meet the Brain and Celebrate.

French

In French, we will learn how to say my name is and ask what is your name?

Computing

In computing, we will be looking at technology all around us and how it benefits everyday life.

Art/DT

During Art lessons, we will be using clay to create 2D shapes. We will explore cutting and joining the clay as well as creating patterns and texture using different tools.
