

Dear Parents/Carers,

A very warm welcome from all the Team 2 staff, we have had a lovely time welcoming everyone back to school this week. They have settled in wonderfully and have been telling us all the exciting adventures they have been getting up to this summer. We can't wait to teach and support your children in their learning throughout Team 2.

A little about us...

<p>I have been working at Horn's Mill for two years now and I have just completed my ECT years. I have always been passionate about teaching, and I can't wait to help your children progress in their learning throughout Team 2. When I am not in school, I enjoy going on long walks with my dogs, going to the gym, and spending time with my family and friends.</p>	<p>This is my fourth year at Horn's Mill, and I am delighted to be joining KS1. My favourite things are my dog, my family and my fabulous job.</p>	<p>I joined Horn's Mill at the same time as this class and have been with this team from the beginning! I have worked in schools for 14 years. I live with my husband, two teenage boys and a dog called Ruby. My happy place is reading in my beautiful garden in the sunshine.</p>	<p>This is my 20th year at Horn's Mill! I am usually in KS2, but I am very excited to start a new journey in KS1. I have 2 beautiful grandchildren, aged 2 and 7. I love going to the gym, swimming and reading in my free time.</p>

PE days

Our main PE day for this year will be Tuesday. Children should wear black PE shorts/black jogging bottoms, a school PE top/plain red top and trainers. They will need to be kept in school at all times in case this changes, or we have any additional sessions. This will be kept on their peg in the cloakroom and will be sent home at the end of every half term to be cleaned.

Reading expectations

We have assessed your children in reading, and they will bring home a book which matches their reading level. We understand that everyone has busy schedule, but it would be greatly appreciated if you could try and read with your child every night. This will help them in all areas of the curriculum and be a good way to help progress their learning. The children can read to you but as well as this, you can read to them as this will expose them to a fluent, expressive speech and use of wide vocabulary.

Please can you write in your child's reading record every time they read with them at home. There will be guidance for how to do this in the inside of their reading records.

PPA time and ECT time

I take my planning, preparation, and assessment time (PPA) on a Monday morning. During this time Mrs Caroe and Miss Morris will teach the children art or design and technology which is linked to our class topic.

Exciting things ahead

We have some very exciting adventures to look forward to in our curriculum this year including our residential to Burwardsley, our Christmas play and Team 2's class assembly. As well as many more!

Please feel free to get in touch between the hours of 8am and 6pm, I am always here to help answer any questions you may have. My email address is

We will be posting regular updates of learning on X so please follow and like 😊

We look forward to an amazing year!

Kind regards,

Miss Coppock, Mrs Green, Mrs Lewis, Mrs Lindsay
