

Horn's Mill
Primary School

What will we be learning this week?

Week Beginning – 29.9.25

Horn's Mill
Primary School

Our child-led learning this week will be focusing on...

The Natural World - Autumn

We will be giving children opportunities to:

- Discuss the features of the 'Autumn' season
- Create autumn collages and art work
- Taste different vegetables that harvest in the autumn

Don't forget to send into school any **WOW** moments which happen at home!

In Maths...

This week, children will complete activities that draw attention to the purpose of counting – to find out 'how many' objects there are altogether in a set. We will use 'Mr Teddy' to help us with our counting – he will make lots of mistakes so children will need to help him correct the counting order. We will also practice using 1:1 correspondence, by counting numbers at the same time as moving or tagging the objects.

In Literacy....

This week we will be starting a brand new story book 'The Gingerbread Man'. At the start of the week, the children will receive a mystery parcel, which will lead to the children making their own Gingerbread Men. As we continue the week, we will begin to read the first pages of the story and meet the characters Mr and Mrs Baker. We will be completing activities to encourage the children to draw/mark make.

As part of our class phonics...

During Ready Steady Read this week as a class, we will be learning the sounds 'o, c, k, u'. We will be learning how to say and write these sounds. We will also be continuing our oral blending practice with 'FRED the frog' and will begin to use the magnetic boards to help us to segment and blend together simple 3 letter words.
