

Horn's Mill
Primary School

What will we be learning this week?

Week Beginning – 3.11.25

Horn's Mill
Primary School

Our child-led learning this week will be focusing on...

Expressive Arts & Design – Bonfire Night

We will be giving children opportunities to:

- Use different tools and materials to create firework paintings and artwork
- Sing bonfire songs using a variety of instruments to create effect.

Don't forget to send into school any WOW moments which happen at home!

In Maths...

This week, we will be focusing our maths learning on 2D shapes in particular circles, triangles, squares and rectangles. Children will learn how to identify these shapes and describe them, as well as spot them around our classroom. We will be playing different games to help us recognise and name these shapes confidently. Children will also be identifying and creating simple ABAB patterns.

In Literacy....

This week, we will be focusing our literacy learning around our developing phonics skills. We will be playing initial sounds games including 'I spy' and 'what's in the bag', and children will have the opportunity to play these games with their friends. We will also be completing some initial sounds writing activities, where children will be writing the sounds they can hear by labelling pictures.

As part of our class phonics...

Children will now complete their daily phonics teaching, in smaller groups. In class, we will be reviewing all Set 1 sounds together and continuing to work on our oral blending skills. We are currently focusing on reading the tricky words *I*, *the*, *of* and spelling these words during shared writing sessions in the classroom.
