

Horn's Mill
Primary School

What will we be learning this week?

Week Beginning – 24.11.25

Horn's Mill
Primary School

Our child-led learning this week will be focusing on...

Understanding the World – Space

We will be giving children opportunities to:

- Explore what space is like and what an astronaut is
- Read different space stories
- Create our own planets

Don't forget to send into school any WOW moments which happen at home!

In Maths...

This week, the children will begin to explore composition by focusing on the concept of 'wholes' and 'parts'. By investigating their own bodies and familiar toys, they will begin to understand that whole things are often made up of smaller parts and that a whole is, therefore, bigger than its parts. We will use the Numberblocks to help us develop this new concept and maths language.

In Literacy....

In Literacy we will be continuing with our story 'Someone just like you'. We will be applying our phonic knowledge during writing tasks.

This week we will be using our Literacy time to practice our Christmas play.

As part of our class phonics...

Children will now complete their daily phonics teaching, within different reading groups, taught by different adults. In class, we will be reviewing all Set 1 sounds together and working on our oral blending skills. We are currently focusing on reading the red tricky words **I, the of, my, to** and spelling these words during shared writing.
