

Horn's Mill
Primary School

What will we be learning this week?

Week Beginning – 1.12.25

Horn's Mill
Primary School

Our child-led learning this week will be focusing on...

Understanding the World – Christianity: The Church

We will be giving children opportunities to:

- Explore the inside and outside of a church
- Look in bibles and know what happens a church
- Learn about christenings and take part in one

Don't forget to send into school any WOW moments which happen at home!

In Maths...

This week, children will build on their understanding of the composition of numbers by investigating the composition of 3, 4 and 5. Through practical experience, children will consolidate their understanding of a whole being made up of smaller parts, when composing these numbers. We will be using the Numberblocks to create our own 'stampolines'.

In Literacy....

This week, we will be finishing our story 'Someone just like you'. We will be retelling a short version of it using the Mighty Writer mat and then drawing our own versions of the story. Children will be encouraged to apply their phonic knowledge by labelling with initial sounds and subsequent sounds, as well as write any simple CVC words that they can.

As part of our class phonics...

Children will now complete their daily phonics teaching, within different reading groups, taught by different adults. In class, we will be reviewing all Set 1 sounds together and working on our oral blending skills. We are currently focusing on reading the red tricky words **I, the of, to, my** and recognising these instantly. We play 'tricky word splat' to help us remember these words.
