

Horn's Mill
Primary School

What will we be learning this week?

Horn's Mill
Primary School

Week Beginning – 27.4.26

Our child-led learning this week will be focusing on...

UTW: Growing and Planting

We will be giving children opportunities to:

- Observe and explore the lifecycle of a plant
- Plant their own seeds to make cress
- Know what a seed and plant needs to grow

Don't forget to send into school any **WOW** moments which happen at home!

In Maths...

This week, children will continue to work on odd and even numbers. We will be working well on how to identify odd and even numbers and use our secret strategies to help us remember. We will be playing games to sort the odd and even numbers. This week children will also begin to work on number formation in their new maths books.

In Literacy....

We will be moving on to a new class text called 'Silly Doggy'. There will be an exciting hook to introduce this new story, about an animal who has been on our school grounds!! We will be creating our own wanted posters and exploring all of the evidence the creature left behind. We will again, continue to apply a writing skills with a focus on being more independent.

As part of our class phonics...

Children complete their daily phonics sessions in smaller reading groups, taught by different adults. In class, we will be reviewing all Set 1 special friends and set 2 sounds together, including **ar** and **ay**. We are currently focusing on reading the tricky words **are**, **your**, **she**, **all**, **baby**. During shared writing we will be focusing applying the phonics we know to spell words.
