

Horn's Mill
Primary School

What will we be learning this week?

Week Beginning – 18.5.26

Horn's Mill
Primary School

Our child-led learning this week will be focusing on...

UTW: Past and Present – Homes Over Time

We will be giving children opportunities to:

- See how homes have changed over time
- Discuss their own home
- Explore the story of *The Three Little Pigs*.

Don't forget to send into school any **WOW** moments which happen at home!

In Maths...

This week, the children will review the composition of the numbers 6 to 9 using the '5 and a bit' structure, and then begin to explore how 10 can be composed. They will also develop a sense of the 'ten-ness of 10' by making their own collections of 10 objects. When exploring how 10 can be composed of 2 parts, the focus is on developing the children's ability to subitise the parts in structured arrangements. A key representation to support this is the double dice frame

In Literacy....

This week we will be writing our own finishing the story of 'Silly Doggy'. We will be finding out about all the things that Silly Doggy has been up to and how he is being sent back to the Zoo. We will be sentence writing different activities to match where we are at in the story. Our focus will be fingers spaces between words.

As part of our class phonics...

Children complete their daily phonics sessions in smaller reading groups, taught by different adults. In class, we will be reviewing all Set 1 special friends and set 2 sounds together, including **ar** and **ay**. We are currently focusing on reading the tricky words **are, she, you, me, all**. During shared writing we will be focusing applying the phonics we know to spell words.
