

Horn's Mill
Primary School

What will we be learning this week?

Week Beginning – 15.6.26

Horn's Mill
Primary School

Our child-led learning this week will be focusing on...

Understanding the World – Science: Materials

We will be giving children opportunities to:

- Sort and compare different everyday materials
- Complete a materials hunt around our classroom
- Explore how important recycling is

Don't forget to send into school any WOW moments which happen at home!

In Maths...

This week's activities have a continued focus on using spatial language and visualisation.

Encouraging the children to visualise and describe arrangements of objects will further deepen their number sense. We will be introduced to the rekenreks and learn how to use them. We will look at how subitise on the rekenreks.

In Literacy....

We will be starting a new story this week in Literacy called Supertato. We will start with a hook to the story and the character of the Evil Peas coming into our classroom. We will complete some sentence writing activities linked to Supertato and all the special activities he can do. Children will be supported to apply their phonic knowledge when spelling words

As part of our class phonics...

Children complete their daily phonics sessions in smaller reading groups, taught by different adults. In class, we will be reviewing all Set 1 special friends and set 2 sounds together, including **air**, **ou**, **ar** and **ir**. We are currently focusing on reading and writing a range of common exception words including *want*, *they*, *baby*, *me*, *he*, *she*, *so*.
