

Geography

During this topic, our geography work will be based on us **learning the names** and being **able to locate** the **4 countries** and **capital cities** of the UK and its **surrounding seas**.

We will also undertake some local fieldwork to explore *What is my school like?*

History

*How was transport different in the past?
How has shopping changed since your grandparents were little?*

We will be exploring the changes in transport and shopping **within living memory** (since 1930).

Music

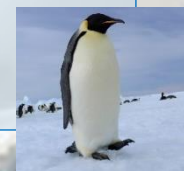

We will be learning how to use our **voices expressively** and we will also **listening** to different musical styles and discussing what we like about them.

RE

We will be considering **what it means to belong** and learning why and how Christmas is celebrated by Christians at home and in church.

Chilling Out

Science

Our units are **Materials** and **Seasonal Change**.

For **materials** we will be learning to name different materials and discover their basic properties.

In **Seasonal Change**, we will be looking at how are seasons change over the year.

PE

Our units this topic will include **Team Building** and **Health and Wellbeing**, where we will earn about balance and agility.

Computing

We will find and use machines and toys that follow instructions. We will learn how to stay safe on-line.

PSHE

In My Happy Mind we will be completing the **Meet Your Brain** unit and circle time will be discussions around transition.

Art/DT

Our art will be based on the work of **Linda Dawn Lang** and will be inspired by the Arctic and Antarctica. We will be practising **line drawing** and **colouring** with pencil, chalk and pastels.

French

We will be learning a range of greetings, numbers to 10 and the names of some fruits and vegetables.
