

Geography

Is the UK the same all over?

Following on from prior learning, we will be recapping the names, locations and characteristics of the countries and capital cities of the UK and it's surrounding seas.

History

Every 4 years, to coincide with the Olympics, we will be exploring Greek achievements such as: Olympic games/sport, democracy, architecture, theatre, stories and medicine.

Music

In Music we will be learning and performing Christmas Carols, singing with accurate pitching, appropriate style and observing phrasing.

RE

In RE we will be describing and explaining how Hindus celebrate Holi. We will also be learning how Christians view the creation of the world and try to take care of it

Travels and Traditions

Science

Unit 1: Forces and magnets

What materials are magnetic?

In science we will be discovering how some forces need contact between two objects but magnetic forces differ as they can act at a distance

PE

Unit 1:
Communication
and tactics

Unit 2:
Symmetry and
asymmetry
(gymnastics)

Computing

In computing we will be exploring how different devices are connected and how to use the term 'algorithm'.

French

In French we will be learning greetings, numbers to 15, colours, classroom commands, days and months.

PSHE

My Happy Mind units: Meet your brain and celebrate

In lessons we will be exploring families in the wider world

Art/DT

Unit 1: Painting (Sea animals)

Unit 2: Textiles (Christmas markets)
