

LITERACY & MATHS

This half term, children will enjoy sharing stories, rhymes and books, including **Happy to Be Me** and **Pete the Cat**. They will begin to recognise their own name, explore early mark making and develop their understanding of books, while building confidence with counting, numbers and quantities through practical play.

COMMUNICATION & LANGUAGE

This half term, Children will develop their confidence in listening and talking, sharing their ideas, needs and experiences. They will build their vocabulary and begin to use longer sentences through conversations, stories, songs and everyday interactions.

PHYSICAL DEVELOPMENT

This half term, children will develop their gross and fine motor skills through climbing, balancing, jumping, mark making and using a range of tools. They will also become more confident in managing everyday routines and using equipment safely.

NURSERY AUTUMN I

Theme: All About Me

PSED

This half term, children will settle into nursery, build relationships and develop their independence. They will learn to follow simple routines and rules, ask for help when needed, share and take turns, and begin to play alongside and with others.

UNDERSTANDING THE WORLD & EXPRESSIVE ARTS & DESIGN

This half term, children will explore themselves, their bodies, families and how they have grown and changed. They will discover the world around them, including the changing season of Autumn, while expressing their ideas through drawing, painting, collage, music, movement and imaginative play.

KEY DATES

All of this information is also displayed on Long Term Plans on the school website.
