

Whitegate CE Primary School

Computing Progression Statements

Year 3

Strand	Focus	Progression Statements
Digital Literacy	E-Safety	- Identify personal information that should be kept private. - Question the 'validity' of what they see on the Internet. - Recognise online behaviours that would be unfair, how they can be avoided and what to do when they are encountered. - Understand why age ratings for games (eg. PEGI) and for commonly used apps exist and how they keep them safe. - Tell an adult if anything worries them online. - Identify dangers when presented with scenarios, social networking profiles, etc. - Articulate examples of 'good' and 'bad' behaviour online.
	Research	- Type in a URL to find a website. - Use a search engine to find a range of media, e.g. images and text. - Understand Internet safety rules. - Identify the ways we communicate online. - Explain who will be able to read my communication. - Explain why we need to be responsible online.
Computer Science	Programming	- Create, test and debug algorithms that accomplish a specific goal in Scratch Jr using a range of commands including: - move, rotate and repeat - sound - changes to a background or character
Information Technology	Word Processing	- Access and open a word processing document. - Highlight/select items. - Use cut, copy and paste. - Enter text. - Use upper and lower case letters. - Use the 'shift', 'caps lock' and 'space' correctly. - Use the return key. - Understand how to edit using 'backspace', 'delete', 'arrow keys' and 'undo/redo' if they have mistyped or repeated a letter. - Word process short texts using word lists. - Understand how text can be saved and retrieved. - Use the cursor (arrow) keys for simple on screen editing.
	Presentation	- Add a new slide. - Set or change the slide layout. - Insert a text box.
