

Whitegate CE Primary School

Computing Progression Statements

Year 5

Strand	Focus	Progression Statements
Digital Literacy	E-Safety	- Be a good online citizen and friend, not a 'digital bystander'. - Articulate what constitutes good behaviour online. - Find and cite the web address or source for any information or resource found online. - Use different sources to double check information found.
	Research	- Check the accuracy of information independently. - Be aware of privacy and other issues related to using the Internet. - Understand websites such as Wikipedia are made by users (link to E-Safety). - Talk about the reliability of information on the Internet e.g. the difference between fact and opinion.
Computer Science	Programming	- Create an original animated game with a specific goal. - Write, test and debug code using Scratch Jr - Program a character to be controlled to reach a goal. - Program a character to follow an automatic path. - Create appropriate animations.
Information Technology	Presentation	- Insert and resize an image. - Reorder slides and present a presentation. - Add theme, transitions and animation to a presentation.
	Word Processing	- Move, resize and reshape text and graphics on a page. - Use the spell checker. - Use Page Setup to choose Portrait or Landscape page as appropriate. - Learn how to insert and use a simple table. - Use bullets and numbering. - Use the 'ctrl' key.
	Computer Skills	- Understand and use the hierarchical file system. - Combine information from various sources. - Describe and discuss their work and explain how and why they have used ICT.
	Data Handling – Spreadsheets	- Enter data into a spreadsheet. - Add, edit and calculate data.
