

Our Ref. MMc / DMB

9th January 2026

Dear Parents and Carers,

Welcome to the start of the Spring Term 2026. I hope you were able to enjoy the Christmas break and New Year and that your family and friends were able to rest, relax and recharge their batteries ready for the start of the Spring Term.

The weather this week has presented quite a challenge, especially from a transport point of view. Whilst the school site was able to be made ready, thanks to the hard work of the site team, clearly the weather impacted on taxi ability across Cheshire West and Chester and Cheshire East to transport pupils to school. School this week has published daily updates both on the school website banner and via Arbor SMS messages. The inclement weather document sent out also provided information about how school would respond in the event of challenging conditions. I have attached this again for your reference. Hopefully the weather will turn over the weekend, however briefly.

At the end of last term, I wrote to you to celebrate the achievements of pupils who took part in the 'Elf Run' fund raising event in support of St. Luke's Hospice, Winsford. School has received a thank you message from St. Luke's for the money raised- the final total = £742.80. Well Done all, a great school community effort.

PARENTS EVENING

Parents evening will be held on **Wednesday 4th February, 2026**. Further information will follow soon that will allow you to book an appointment. From September 2026 two Parent evenings will be held. The first, in the Autumn Term will be a 'settling in report' evening. The Spring Term will provide an update on your child's progress. The end of Term reports will continue, as will the Short Term Outcomes (STO's).

Have a safe weekend.

Yours sincerely,

Mr McCann
Head Teacher
