IMPORTANT REMINDERS

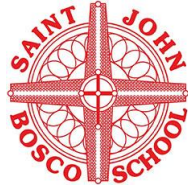

- **Mobile phones-** From Monday 21st September, **parents and visitors are not to use their mobile phones while in the school office area.** Many parents are having conversations on their phone or using it for other purposes. This is a safeguarding concern so please support school with this. Thank you.
- **Punctuality-** **The school doors open at 8.40am and school starts at 8.45am with the register and learning begins straight after that.** Please ensure your child is brought to the school / classroom door so they are in on time to start the day in a positive manner. **The school gates close at 8.45am.** Children who are late miss the communal start to the day and often feel embarrassed joining the class after lessons have started.
- **Regular school attendance** is vital because it directly drives academic achievement, supports mental health and social development, establishes positive lifelong routines, and safeguards our children by keeping them engaged in safe, structured environments. Please ensure your child is in every day. More information about attendance will be coming out to you soon.
- **Dogs and Vapes on the school grounds-** Please do not vape anywhere on the school grounds or car park and please do not bring your dogs on to the premises either.
