WED WEDNESDAY

THU THURSDAY
Dance workshop Y2

FRI FRIDAY
Y3 assembly: National Poetry Day.

Weekly update

As we reach the end of another busy and exciting week at school, it has been wonderful to see the children continuing to settle into their routines and embrace all the opportunities on offer. On Monday, we were delighted to welcome our karate instructors for a fantastic assembly and a series of workshops, where the children had the opportunity to learn new skills and demonstrate great focus and enthusiasm. We have also had another brilliant week of clubs, with children enjoying a wide range of activities beyond the classroom. A particular highlight was our wonderful Year 4 class assembly, where the children showcased their learning and performed brilliantly. Well done to everyone involved! Today, we have sent home our new reading records, which we hope will support our children in developing

positive reading habits at home and sharing their reading experiences with you. We are particularly excited to launch our first book club next Wednesday during assembly time. Two children from each class will join Miss Johnson and Mr Chwalko for a hot chocolate and a relaxed chat about their reading interests and what they have been enjoying throughout the week. We are looking forward to hearing about the books that are capturing our children's imaginations and continuing to build a real love of reading across our school.

Wrap around

Please could we remind all parents that if you want your child to attend wrap around after school, this must be booked online. This will act as your booking.

0 LATES!!!!

wow, wow, wow!

We are simply blown away by your punctuality yesterday! For the first time in a very, very long time, our entire school was on time, ready to learn and for that, we would like to say an enormous thank you.

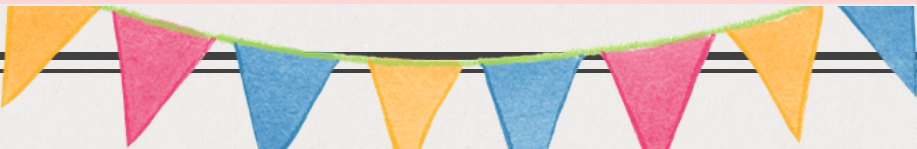

Your children were able to come straight in, have a super positive start to the day and get on with their morning work which makes such a huge difference to their attainment in lessons.

COLLECTION AND DROP OFF REMINDER

Please could we politely remind adults collecting their children from year 1 and 2 that they must remain behind the yellow line at all times.

Should you need to speak to the class teacher or staff in the room, you must wait until all of the children have been dismissed. Talking to staff members whilst the children are being dismissed may lead to a potential safeguarding risk which of course, we must avoid.

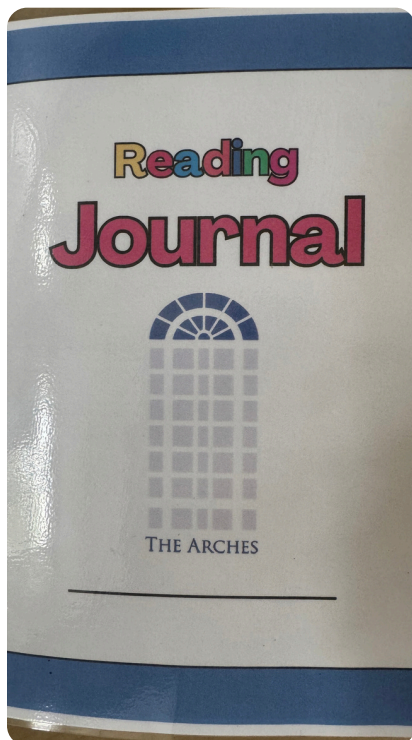

Thank you for your understanding with this matter.

THIS WEEK IN PICTURES

It has certainly been a long time coming but we are delighted to share that our new boys' toilets are now open. Thank you to all the tradespeople that have contributed to this, as well as a special thank you to **Mr Jon** who has worked tremendously hard to ensure the process was as quick as possible.

Please make sure you are reading 3 times per week to give yourself a better chance at attending our weekly book club!

Remember, this can also include times when other people read to you such as parents, siblings and friends.

Club & Activity Corner

Year 6 music

Our year 6 band have made a flying start to the music curriculum. Musical showcase 11/12/26 14:00.
