Weekly update

What a fantastic week we have had at school! There has been lots to celebrate, with children continuing to impress us with their enthusiasm, effort and commitment both in school and at home. One highlight was our very first weekly Book Club, celebrating children who have been impressing us with their home reading. The children enjoyed a hot chocolate and shared their thoughts, interests and favourite books with Miss Johnson and Mr Chwalko. We look forward to celebrating even more children in the weeks ahead. We are also excited to develop our school library and are now accepting donations of quality children's books. If you have any books at home in good condition that you feel our children would enjoy, we would be very grateful for your donations.

Furthermore, we are incredibly proud to announce that last Friday's 'Jeans for Genes' Day raised a whopping £161.90! A huge thank you to all our families for your generous donations and support.

On Wednesday, our Open the Book assembly focused on the story of David, giving the children an opportunity to engage with another important Bible story and its messages.

We are also busy planning our Year 6 residential, so please return your reply slips as soon as possible to help us finalise arrangements.

Finally, we are delighted that we achieved 0 lates on one day this week! Let's keep working together towards 100% attendance and 0 lates across our school. Well done, everyone!

HEADTEACHER'S AWARD

A huge well done to this young man in year 3. Since joining us towards the end of last year, this superstar has settled into our purple family excellently and we could not be more proud!

THIS WEEK IN PICTURES

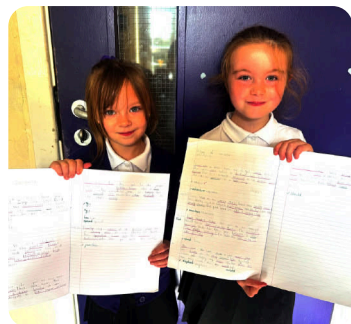

Our **FIRST** book club took place this week and Miss Johnson gifted each class a secretly wrapped book as a treat to add into our class libraries. It was lovely to sit back, relax and listen to how much the children have enjoyed reading their books at home. KEEP IT UP!

Year 6 children getting into the swing of all things tag rugby related. We've really enjoyed learning the fundamentals in recent weeks and some mini games yesterday!

Year 3 children looked at different Indian patterns, the Indian Elephant festival (found in Jaipur once a year) and then designed their own; making them 3D using cotton wool. They all showcased their creativity and determination in abundance!

These superstars WOWED Mr Chwanko and Miss Johnson this week with some outstanding writing far beyond the level of a year 2 child. Come and ask them what they wrote about and join us in saying well done!

Club & Activity Corner

Y3/4 sports club

Sports club are getting a real flavour for a range of sports these last few weeks with basketball being our chosen sport this week.

A HUGE thank you to this young lady and her family for their generosity in gifting some quality texts to our school to bolster our new class libraries, ready for children to take home.

"In a world where you can be anything, be kind." — Jennifer Dukes Lee

CELEBRATION *Station*

Achieving great things in writing!

Growing with self-belief in her assembly lines.

Showing self-belief with her times tables.
