FRI FRIDAY

- Y1 assembly

Weekly update

What a fantastic week we have had at school! We are especially proud to celebrate a huge achievement: for the first time in a long while, the entire school achieved 0 lates! This is a fantastic milestone and was rewarded with an extra 15 minutes of playtime for the whole school. Thank you to our families for helping us make this happen. Let's keep working towards 100% attendance and 0 lates!

Our Year 5 and 6 children also took part in a tag rugby festival at Chester Rugby Club, where they represented our school brilliantly. Well done to all the children involved!

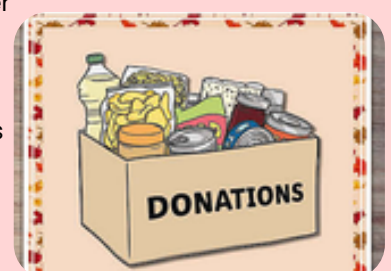

Our weekly Reading Club was yet another success, with children taking another mystery book back to class. Thank you to everyone who has been changing their reading books regularly. There is a real buzz around the building about reading and it is wonderful to see so many children embracing their love of books.

Today, we enjoyed a fantastic Year 2 assembly all about space and the planets. We are incredibly proud of how much the children's confidence has grown over the past year. A special well done to Mrs O'Neill and her team for preparing the children so brilliantly for such a wonderful performance!

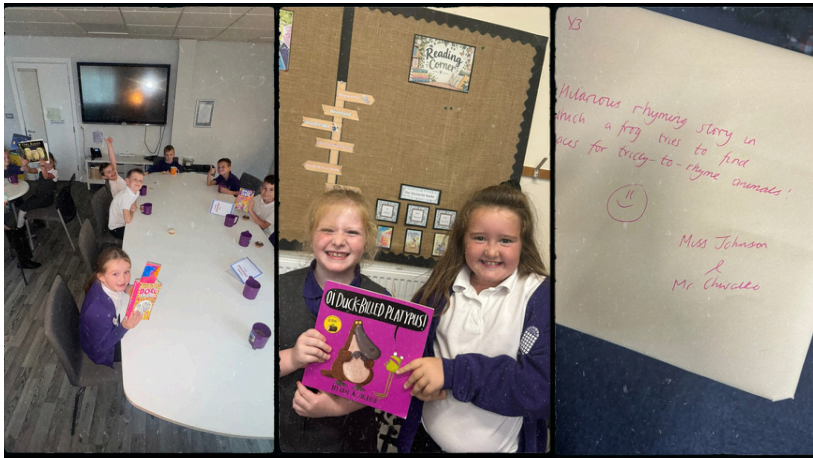

FUTURE DATES

- **ADHD** support session in school 21st October 8:40am-10am. Call school office to book on.
- **Harvest Festival** will be celebrated in school 23rd October. Please send donations in from Monday 19th October.

If you know of someone elderly in the community that would like a harvest basket, please complete and return the nomination form that will be sent out on Monday.

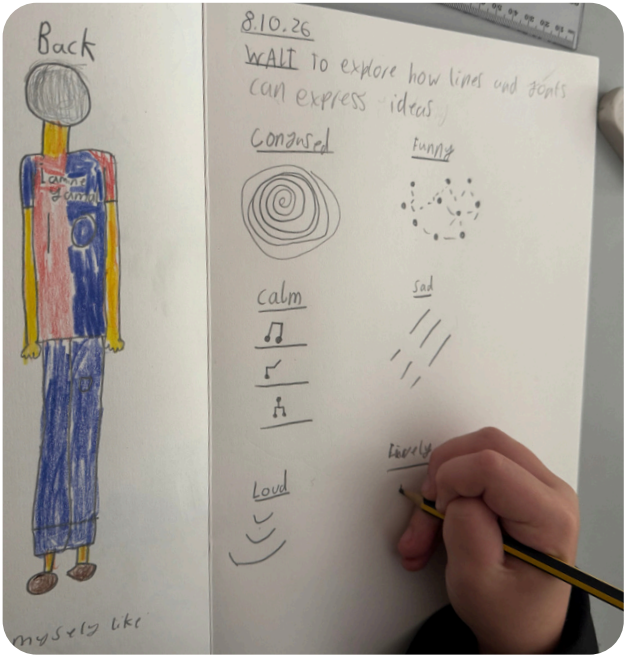

THIS WEEK IN PICTURES

Our weekly reading club is really catching on! Another great week seeing the excitement of reading new books and sharing what we have read this week!

WELL DONE TO THIS LEGEND! Another fundraising goal, another fundraising achievement. All for our wonderful school. We are so proud of this young man and his family putting our school first and raising money.

Club & Activity Corner

Y6 art

Year 6 spent some time in Thursday afternoon's art lesson experimenting with different pencil lines and patterns to reflect and express our emotions and mood.

YOU'RE INVITED!
