How do different religions describe God?

Everyone can have a belief, and this can create an opportunity for us to belong to a group.

Christians believe that God can be seen as the Holy Trinity.

Muslims believe in the same God as Christians and Jews, but they know God as Allah.

Jewish people believe they can contact God through prayer within a synagogue.

Christians, Muslims and Jews all believe in the same God, however they may call God by a different name.

Hindus don't see God as one being, but many different Gods.
