WORLD MENTAL HEALTH DAY 2025 - HELLO YELLOW!

Today, **Friday 10th October** we have celebrated World Mental Health Day. On behalf of YOUNG MINDS, we thank you all for wearing something YELLOW to school today to show your support for this incredible charity.

It was lovely to see such bright and colourful outfits across school today, making a grey day feel much sunnier!

You can still donate online at the following link:

THANK YOU!

<https://www.youngminds.org.uk/support-us/fundraising/helloyellow/>

The screenshot shows the Young Minds website. At the top, the logo 'YOUNGMINDS' is on the left, and navigation links 'Mental health support', 'Support us', 'For professionals', 'About us', and 'Real stories' are in the center. A yellow 'Donate' button and a search icon are on the right. Below the navigation is a large banner image of four diverse children wearing yellow shirts and backpacks, smiling and waving. The text 'Hello Yellow' is overlaid on the bottom left of the banner. Below the banner, a paragraph reads: 'Come together in yellow on World Mental Health day to raise vital funds and show children and young people they're not alone with their mental health.' At the bottom of the page, a breadcrumb trail shows 'Home > Support us > Fundraising > #HelloYellow'. A footer bar contains three icons with labels: 'Young people', 'Parents', and 'Support us', followed by a share icon.

Wonderful work this week

Well done to Elsie, James, and Dax this week.

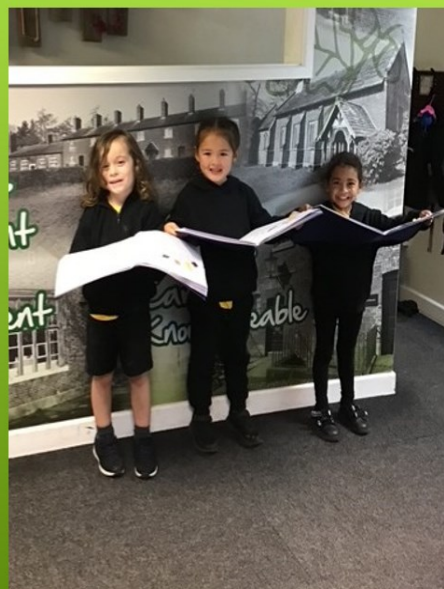

Elsie and Dax have produced some amazing independent work outside of the classroom to support their learning; Elsie with superb fact finding about WW2 and Dax preparing a fact board about a Roman Amphitheatre he visited while on holiday.

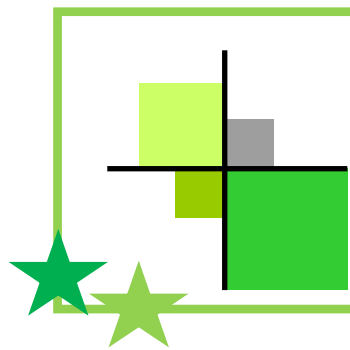

James impressed Mrs Hurst with his reading this morning with his great expression and how he got into character. Mrs Hurst said she was totally immersed in the story with James' wonderful reading.

Wonderful work this week

Super work from Gianni, Otilie and Athena from Reception this week, who completed a sensory activity, identifying different textures and how they feel to touch.

Message from Mrs Gaulton

It's been an eventful week here at school this week with trips to Chester, Harvest assemblies, focusing in on our mental health for World Mental Health Day and a sea of wonderful yellow outfits in school today.

Thank you to all our families who have donated food parcels for Harvest and to those of you who have made a donation to Young Minds. Your generosity really does make a difference to others.

Please make sure you carefully read the information regarding parking around school on the front page of today's newsletter - it is really important that the

residents car park is not used unless you have fob access. School will be unable to access the car park at all if you cannot get out of the car park. We thank you all in advance for parking safely and courteously around our school.

We look forward to finding out who our School Council Reps will be after next week's elections - we already have some exciting projects lined up for them to take on in in school. We also look forward to seeing our KS1 families in school for Stay and Make on Tuesday afternoon.

Thank you to our new Parent Council members and to our wonderful Parents of Styal Team. Our incredible team are looking forward to working with you all over the next academic year to give our amazing children the best memories of school that we possibly can.

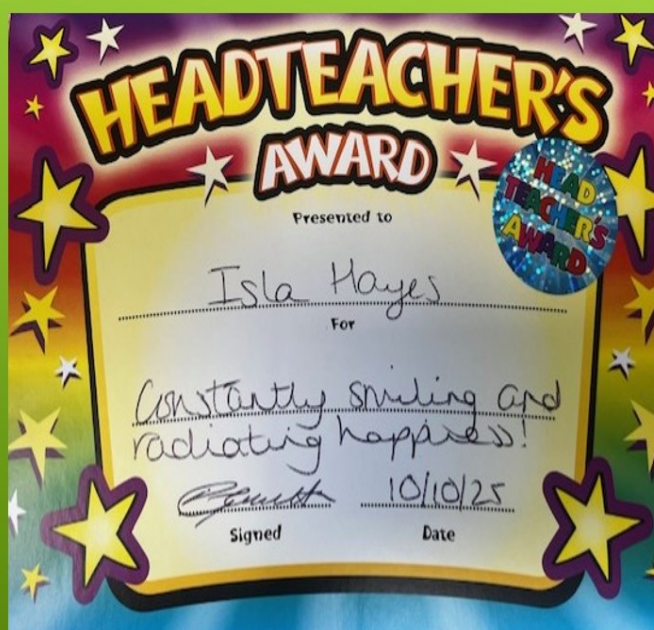

A special thank you to POS too for treating our staff team to a lovely thank you treat on Wednesday lunchtime. It is very kind of you to show your appreciation for the hard work and commitment that the team display every day.

Wishing you all a restful and safe weekend!
