Celebrating Children in Need

Laina carried out her own research into Children in Need and how their fundraising is used across the UK. She created a fabulous poster to share what she'd learnt

Congratulations to Devon & Otis who were the first children to tell me how much money Children in Need raised last year. We hope you like your prize!

Amazing achievements

Lois has shared some exciting news this week. She has achieved 3 badges at Cubs:

First Aid Level 1

Music Level 1

Nights Away badge

She was very excited to share these with us – well done Lois!

Message from Mrs Gaulton

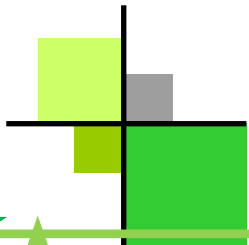

It's been another jam-packed week in school. Our focus this week has been **Resilience** and we started our week returning to Friendship Terrace. We learnt about Felix First - he wanted to win everything and be first or the best in all things. Felix First becomes upset and frustrated if things don't always go his way. His friends help him to realise that winning isn't everything and that we should enjoy simply taking part, being with our friends, learning and having fun.

We have really seen this happening in school this week, particularly with our Reception and KS1 pupils who took part in a Little Champions sports activity morning on Thursday. Their resilience was incredible - every child determined to improve and to keep trying. Lots and lots of fun was had and everyone enjoyed completing the activities with their friends.

I have been really impressed with our singers in Y5/6 this week too who have been practicing their Christmas songs over lunchtimes in preparation for their performance on Sunday in Styal Village. I'm sure you will be impressed by their efforts if you can come along and support them.

Wishing you all a happy, safe and relaxing weekend ...without too many coughs and sniffles hopefully!
