Message from Mrs Gaulton

Our focus this week has been **Kindness** and it got off to a great start with the generosity of our families donating to the Jingle Jog for East Cheshire Hospice. Your donations will be greatly received. Thank you to our amazing children and team for taking part.

It's been another wonderful week of festivities at school as I'm sure you can tell from all the pictures included in this week's newsletter. Children and staff have had a wonderful week getting ready for Christmas completing crafts and activities. Thank you to our team for the effort they have all gone to so as to make the last two weeks in school special.

A fab uptake for our Christmas Dinner this year too! It was delicious. A great big thank you to Mark in the kitchen and to all who helped it run smoothly!

In amongst all the festivities, our children have been working incredibly hard.

This week Y5/6 completed building Air Raid shelters - some fantastic designs and imaginative use of resources to create some superb structures.

Y3/4 have also been getting creative writing their own Christmas stories.

They then produced them into a book and shared them with our younger children. Beautiful work!

We will be sending out our **Save the Date** list for Spring term to you all soon so keep an eye out.

Wishing you all a safe and restful weekend and a wonderful Christmas.

We look forward to seeing you all on 5th January!
