Celebrating our wonderful children this week ...

## Wonderful work this week

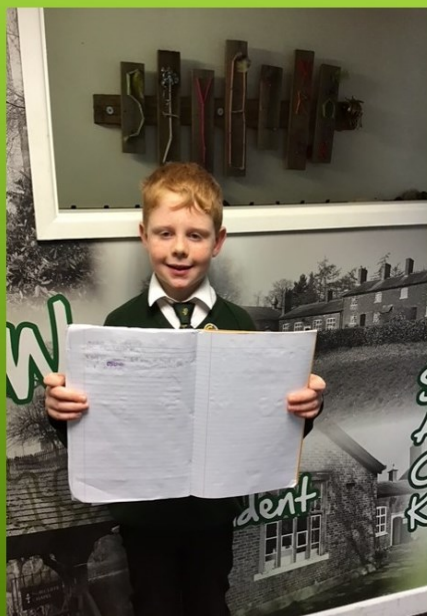

Some super work in Y6 this week.

Alfie produced some super descriptions of paintings, thinking about what he could identify in each of them, while Kali created some great work in Science around classification of species.

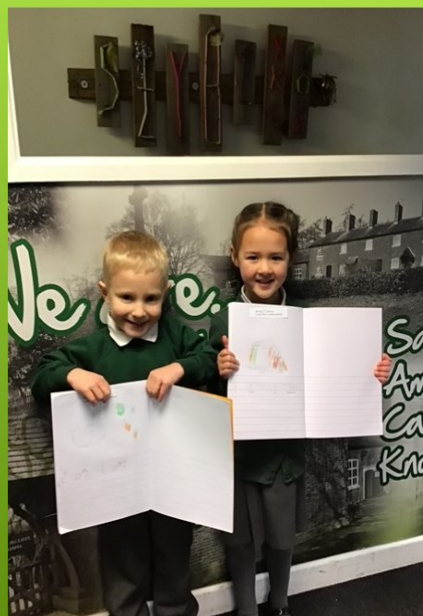

## Wonderful work this week

Some absolutely super writing across school this week.

Olly in Y3 made super predictions in his English work this week, which he was incredibly proud of.

Well done to Harlow and Otilie in Reception too, who wrote about what they received from Santa for Christmas!

## Headteacher's Award

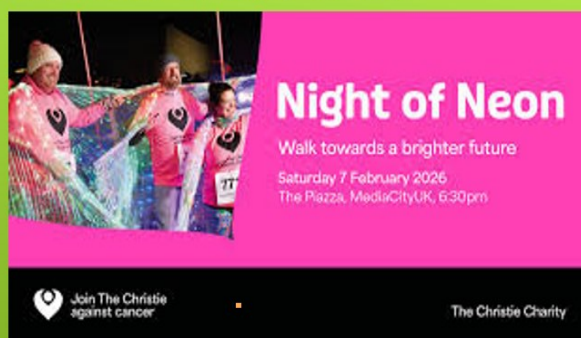

Congratulations to Poppy J this week in Y3.

Coming back to school in January is hard. It's cold and dark and we've just had a lovely break at home with family. However, every time I've seen Poppy this week she's had a beaming smile, welcoming us all back!

Thank you Poppy!

## Exciting news from James!

On Saturday, 7<sup>th</sup> February, James and his family are completing the Night of Neon 5K challenge to raise money for charity, in memory of his Grandad.

We are really proud of you James!

**GOOD LUCK!**

If you would like to sponsor James, you can do so at the link below. Thank you!

### **Message from Mrs Gaulton**

Happy New Year to you all and welcome back to school! I hope you all had a restful break and enjoyed having some family time together, were able to slow the pace down and that you relaxed.

Whilst it is lovely to have a break, it does feel good to be back, get into routine again and it's been fabulous to see our wonderful children and families this week.

We have welcomed 2 new members of staff to our team, this week too. Please make sure you stop and say hello to Miss Cashman and Miss Chatfield if you see them around school. They have both had a great first week with us here at Styal and are already forging lovely relationships with your children. Welcome to the team!

With our first internet safety day coming up this week, I wanted to share with you information that has been sent from the Children's Commissioner this week. The link below will take you to guidance on how to keep your children digitally safe. The guide has been created with the direct involvement of children in England and is a reflection of their views. It focuses on the challenges of managing children's everyday online habits. I hope you find it useful and informative.

Please remember to sign your copies of our new Home-School Agreement and return them to school next week - we are really looking forward to working in close partnership with our families to make 2026 a great year for Styal Primary School!

### **QUICK REMINDER:**

Don't forget that it's school photographs on Tuesday morning - I'm sure everyone will look spectacular in their uniforms, with marvellous hair!
