We kindly ask for your support in completing our Home School Agreement and returning it to us as soon as possible.

This agreement helps strengthen the partnership between school and families, ensuring we work together to create the best possible learning environment for every child.

Your cooperation is greatly appreciated and plays an important role in supporting our school community.

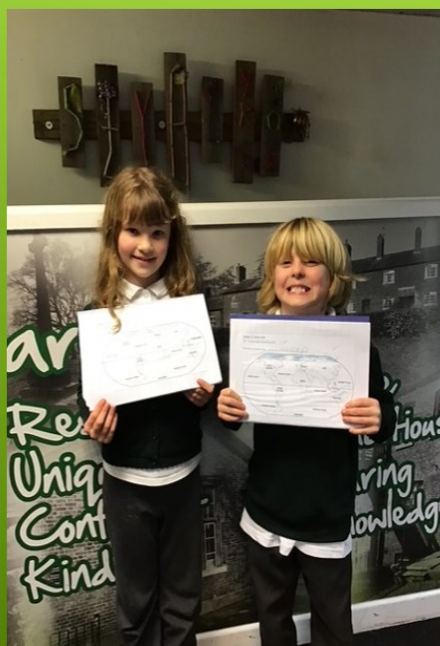

Thank you to those families who have already signed and returned their copy.

Celebrating our wonderful children this week ...

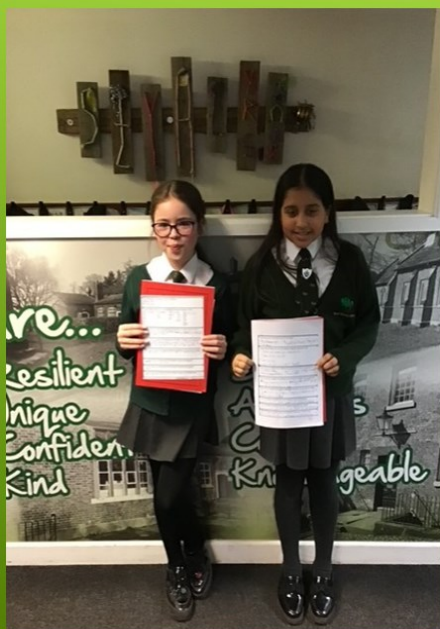

Wonderful work this week

Some fantastic work in Y2 this week from Daisy and Freddie.

The children were so excited to show me their Geography work where they have identified and coloured the Arctic Ocean on a world map, confidently talking about their learning.
Well done!

Wonderful work this week

Fantastic work in Y5/6 this week.

Firstly, Maisie and Ava have worked incredibly hard in Science, recording lots of information about species classification – they would now appear to be bird experts with their impressive knowledge!

Annabelle has also produced some beautiful collage work in Art this week. The attention to detail is amazing. Well done!

Special mention this week

Very well done to James this week who has demonstrated real determination in Club 99 Maths.

James has been striving to achieve Platinum level and today **HE DID IT!**

Well done James!

Fantastic effort!

Games Makers...

Certificates this week go to
Jud (Rec) and Freddie (Y2).
Well done to you both!

Headteacher's Award

Congratulations to Evelyn
this week in Y1.

No matter what day of the
week it is, what the weather
is or whether she is in the
classroom or playing
outside, Evelyn is a super
role model to others and
always gives 100% effort in
school.

Well done Evelyn!

Message from Mrs Gaulton

Another busy week this week as we all settle back in to week 2 of the school routine.

The children all looked super smart on Tuesday for their school photographs. There really were some lovely pictures taken for you to treasure.

Reception to Year 5 worked hard on their understanding of how to keep safe online on Wednesday with a visit from Cheshire Police and Cyber Sid, guiding the children to use the internet safely.

Attendance is slowly creeping back up as we advance back into the 90% bracket - hopefully we're now heading out of the winter bugs and we can all get back into school feeling healthier and ready to learn. Thank you for your support in working with us to improve attendance - it is always hard at this time of year but I am sure as school and families are working together, we can get up to that magic 95% again!

We look forward to another positive week next week - have a lovely weekend!
