No events today

**East Cheshire
Hospice**
Where people come to live

This week we have heard from East Cheshire Hospice who have thanked us for our efforts in raising money for their charity this year. This was through the Jingle Jog event we held at school in December.

Thank you to all our children, families and team for getting involved and to Mrs Jones for organising the event.

As a school we raised:

£392.95

Thank you everyone!

Celebrating our wonderful children this week ...

Wonderful work this week

Zak has had an incredible week this week, working on his Sonic story.

He has brought his work to me twice this week, showing me and talking me through his plan and how he has built up each part of the story. He has worked with such enthusiasm and excitement.

He has worked so hard and illustrated each part too. It even ends with quite the cliff-hanger!

Well done **Zak**!
Great work this week.

Wonderful work this week

Lovely work from our Y5/6 children this week.

They have created narratives about the discovery of an animal they have chosen to research, bringing together their non-fiction and fiction skills to create their stories.

The children have produced some great tales with super vocabulary choices, varied sentence structures and effective use of dialogue and rhetorical questions to engage the reader.

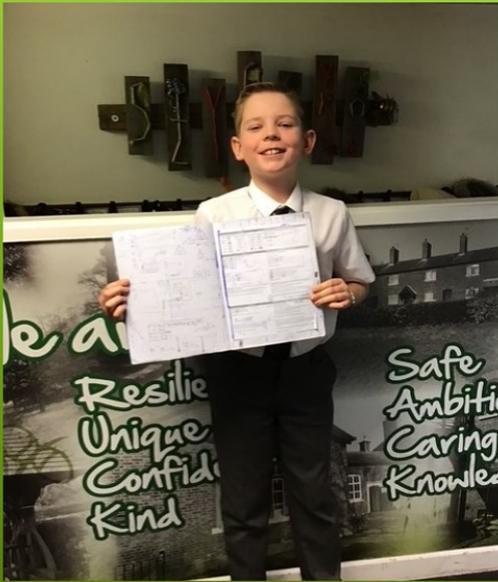

Fantastic work **Ronnie, Olivia and Seb**!
Well done!

Celebrating our wonderful children this week ...

Wonderful work this week

Rupert in Y6 has absolutely smashed his Maths work this week!

He has completed Mastery level questions in his Maths challenges, worked independently, methodically and logically and then given up his time to help others.

Well done **Rupert!**
What a superstar!

Special mention this week

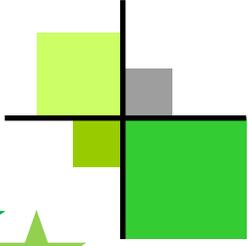

Thank you to **Lois** and **Alyssia** this week who have brought in some spectacular art work that they have been working on at home.

You are both exhibiting such talent, creativity and attention to detail.

Beautiful work!

Well done

everyone for

showing you are

KNOWLEDGEABLE.

Attendance

Aiming for Above 95%

Winners on Friday of the attendance award were:

Y5/6 Well done!

Whole School 89.6%

Rec/1 92.6%

Y1/2 86.3%

Y3/4 86.8%

Y5/6 93.1%

Mr Smith's PE Awards

This week, Mr Smith has awarded

Noah in Y1/2 and Aria-Rose in

Y3/4 with his PE awards.

Super listening skills that showed in

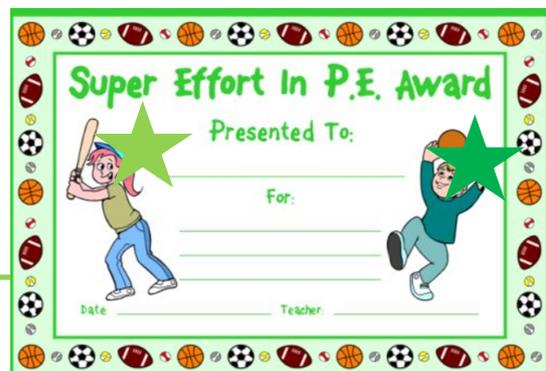

the quality of sequences performed

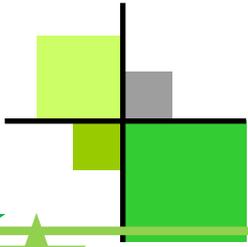

from Noah and great technique and

control when completing a range of

jumps from different equipment

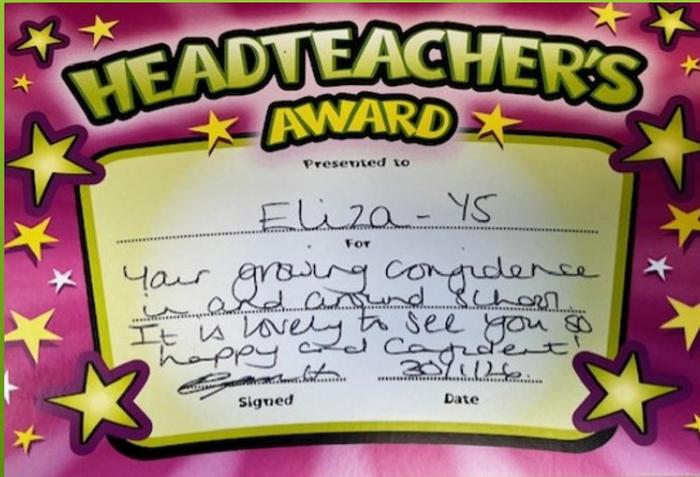

for Aria Rose. Well done!

Headteacher's Award

Congratulations to **Eliza** this week in Y5.

I see you growing in confidence each day in school. You always stop to chat and have such a kind and thoughtful nature.

Thank you **Eliza**.

Message from Mrs Gaulton

January is finally coming to an end and we have brought it to a close this week in school with some beautiful work from our children.

It has been an absolute joy over the last 2 weeks in particular, to see the enthusiasm and pride in so many of our children. They've been so excited to share their work and knowledge with our staff team.

There is so much going on ... just today I've seen Reception having 'Forest Friday' with all their learning this morning taking place in Forest School. I've read wonderful stories across school and observed practical Science lessons about the human skeleton in Y3/4, with the children using a range of scientific knowledge and maths skills in their learning. It's been a very productive day for everyone!

Next week, we welcome Rock Steady music company into school to present their work to our children. We are very excited about the possibility of having them come to work with our children and tap into their musical talents ... who knows, we might even see the making of the next Oasis! Watch this space!

Wishing you all a wonderful weekend!
