Message from Mrs Gaulton

Dear Families,

What a fantastic week of learning we have had in school! Rock Steady were back in the building on Monday and our new Band Leader Nicholas had a fantastic morning with our Styal rock bands.

We were also back in Forest School on Monday afternoon with Y1/2 who had a fabulous time in their first 2 hour session. It was wonderful to see how excited the children were to get outside for the full afternoon.

This week we have also begun the process of setting up our new School Council for this academic year, and it has been wonderful to see so many children demonstrating our school values. Throughout the week, I have seen lots of children being praised for their kindness, respect and determination to try their very best in all aspects of school life.

Our Reception children, along with new pupils who have joined us across the school, have settled beautifully into life at Styal. We are already learning so much about each individual child and it has been a pleasure to see them growing in confidence and making new friendships. Our school community have been so welcoming, thank you. We really have had a superb start to the new school year!

You will notice from the calendar dates that our KS2 children have Lacrosse taster sessions planned from next week. We are also delighted that our sports coaches, AT Sports, are now able to provide us with an additional lunchtime coaching session each week, which is great news for our children.

A huge thank you to AT Sports for their continued support. Their sessions really do make a positive difference to lunchtimes, with lots of children being active, learning new skills and, most importantly, having fun.

We hope you all have a lovely weekend and we look forward to another positive, exciting and busy week ahead.

Wonderful work this week

Some wonderful work this week across school.

A fantastic effort from **Finley in Y1** who wrote some excellent sentences.

Well done to **Devon in Y6** who created a beautiful description using some fantastic similes.

Great Maths work from **Henry in Y5** too who showed great resilience in his learning.

Fantastic speed and accuracy from **Ollie in Y6** in Club 77, 99 and Bronze! Well done!

Wonderful work this week

Well done to **Mia in Y2** this week who really enjoyed her first Rock Steady session after the summer break!

Well done Mia – I wonder which instrument is your favourite?
