Message from Mrs Gaulton

Dear families,

What another fantastic week we've had!

It has been busy, positive and full of learning across school.

We are especially proud of our Reception children, who have had some exciting firsts this week! They headed out on their first learning walk, searching for signs of autumn and had great fun making shadows in the sunshine. They also joined the rest of the school for their very first Friday Celebration Assembly today and sat beautifully throughout. What superstars!

Well done, Reception!

Our sports coaching sessions have also got off to a fantastic start. We love seeing the children active, learning new skills and, most importantly, working together as a team. A huge thank you to our coaches, **Anthony and Nathan**, who are doing a brilliant job with the children.

Miss Cashman's reading reminder:

Please remember that all children should be reading at home with an adult **at least three times a week**. Adults should also sign the reading record after each time they read together. Thank you!

We hope you can join us for our upcoming **Macmillan Coffee Morning**. Please take a look at the poster for all the details.

And finally, excitement is building for **European Languages Day** next week! We can't wait to see the children arrive dressed in their chosen country's colours.

We're sure it will be a brilliant day filled with fun activities, learning and celebration.

Wishing all of our families a lovely, restful weekend!

Wonderful work this week

Some wonderful work in school this week...

Firstly from **Olly in Y4** who showed real determination and enthusiasm in his English work. He has constantly had his hand up to answer questions and engage in the lessons and came up with some fantastic vocabulary in his story planning. Well done **Olly**!

Then both **Rory and Freya in Y4** have produced some amazing work on Scratch, both at home and at school – very impressive game creations! Fantastic work!

And finally, amazing progress in times tables this week for **Zak in Y5** who has achieved his Club 66 after an incredible amount of practice. Well done!

European Day of Languages- Friday 25th September

We will be celebrating European Day of Languages at Styal on **Friday 25th September**. Each class will focus on a different European country (see below) and children will learn about its language and culture. Learning other peoples' languages is said to be a good way of helping us to understand each other better and overcome cultural differences.

Children are invited to dress up on the day in the colours of their country's flag or, if they prefer, come in uniform/PE kit as usual.

Class	Country	Flag
Rec/1	Spain	
Year 1/2	Portugal	
Year 3/4	Italy
