Message from Mrs Gaulton

A lovely end to a very special week!

Dear families,

I wanted to end the week by sharing just how proud we are of our children. It has been one of those weeks that really captures what school should be about: happy children, working hard, having fun, being curious and being brave enough to try something new.

From learning to sign colours in British Sign Language with the help of Miss Coventry and Aaliya, to exploring European cultures, countries, foods and languages today, our children have embraced every opportunity with real enthusiasm.

Our Year 5/6 children also represented us fantastically at yesterday's Tag Rugby tournament at WHS, finishing in fourth place.

What makes this even more special is that, for many of the children, this was their first experience of Tag Rugby. To see them discover a new enthusiasm, work together as a team and have the confidence to give something unfamiliar a go was wonderful.

Today's celebration assembly really summed up the fantastic start we have had to the Autumn Term. As a staff team, we have been incredibly impressed by the children's behaviour, attitudes and commitment to their learning. Celebrating their achievements this week has been an absolute joy.

Next week begins with two opportunities to bring our wider school community together. Our Macmillan Coffee Morning starts at 9am on Tuesday, and we would be delighted to see you there.

We are also looking forward to welcoming prospective families to our New Parents Morning on Tuesday. If you know anyone who may be looking for a Reception place for 2027, or perhaps considering an in-year transfer, please do spread the word and encourage them to come along. There is no better way to understand our school than to come in, meet us and see our wonderful children in action.

For now, have a lovely weekend and thank you for your continued support to our school.

Wonderful work this week

Reception/Y1 have been learning about parts of the body and how we can stay healthy. We used foam and toothbrushes to practise brushing teeth with bottles and we made biscuit faces, talking about the parts of our face. We showed different facial expressions on our biscuits!

Wonderful work this week

Aaliya and **Mia** have produced some fantastic art work for their Great Fire of London topic work this week.

Miss Coventry was really impressed with your creations and the coloured rice used to make the flames was really effective – well done to you both!
