Celebrating our wonderful children this week ...

Wonderful work this week

Reception/Y1 have produced some fantastic work in class this week.

Everley and **Finn** created some super art work inspired by their Great Fire of London topic.

Jenson has also been busy creating a spider – he knew that each leg had 3 beads so there must be 24 beads in total, because a spider has 8 legs!

Everley and **Joni** also produced some great work around The 3 little Pigs story, thinking about how the wolf might catch the pigs!

Well done everyone!

Wonderful work this week

We are so proud of **Lando in Y3** this week.

He has been working really hard in Maths with recognising and sequencing numbers.

He has found this really tricky at times but has kept trying – showing great resilience.

Mrs Hennessey has tried lots of tricks to challenge **Lando's** thinking but his hard work has paid off because he's cracked it!

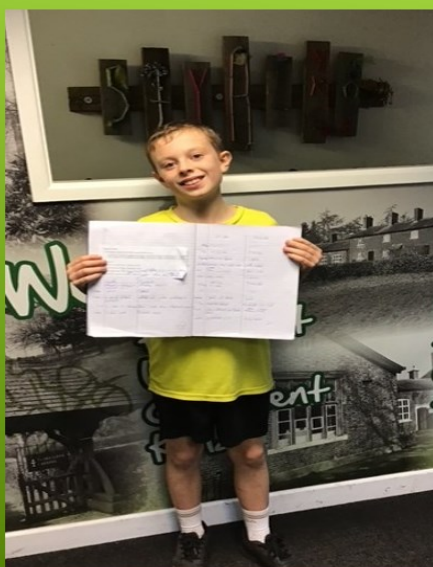

Correct answers every time!
Well done **Lando!**

Wonderful work this week

Great independent work from **Olly in Y6** this week.

He was tasked with comparing Manchester to another city in the world. Instead of comparing one, **Olly** chose to compare 3! He explained what he'd discovered and could give me the reasons why the cities he chose were similar and different.

Well done **Olly!**

Well done to **Florence in Y2** who took part in a summer gymnastics event and wanted to share her certificate with us at school.

Huge congratulations too this week to **Ophelia in Y1** for being awarded the first Games Maker Certificate of the term. **Elsie & Alyssia** recognised your kind, helpful attitude and your good listening skills.

Special mention this week

Thank you to **Ben, Max and Olly in Y6** for being beautiful ambassadors for our school at our coffee afternoon on Tuesday.

Sadly we were short on visitors due to seasonal sniffles. However, the lovely Phil enjoyed an afternoon with the boys, chatting about fishing and playing dominoes!

Thank you to **Mrs Goodhall and Mr Taylor** for helping us organise the afternoon.

Message from Mrs Gaulton

Our children have enjoyed some fantastic opportunities beyond the school gates, including scarecrow making at Quarry Bank Mill and an afternoon of Multi Sports at WHS. We also marked World Mental Health Day by taking part in a Monday morning community walk, where we handed out roses to local residents and visitors to the area. The smiles, conversations and appreciation we received certainly brightened many people's days and made our children proud ambassadors for our school.

We were also delighted to host our first community coffee morning for older local residents. It was a lovely afternoon filled with dominoes, conversation, laughter and plenty of cake!

Weeks like this remind us of the privileged position a school can hold within its community. By making connections across generations and reaching out to those around us, we create experiences and memories that stay with us long after the week has ended. Some very special memories were made this week.

A few reminders before the weekend:

Harvest Donations: Thank you to families who have contributed already. Please remember to send in any Harvest donations ahead of **Tuesday's assembly**.

POS Information: Please take another look at the **POS section of the newsletter** for details about the upcoming Halloween Disco, as well as some quick and easy ways you can help raise funds for our school. Thank you to the POS team for all the time and effort they invest in supporting our children and school community.

Coats and Naming Belongings: The weather has certainly taken an autumnal turn! Please ensure children come to school each day with a suitable coat. As always, naming items helps us return lost property quickly, so do take a look at the **Stikins flyer** at the end of the newsletter if you're looking for an easy labelling solution.

Next week is our final week before the half-term break and, as always, promises to be a busy one and we know the children are especially looking forward to rounding off Autumn 1 with the Halloween Disco! **Have a wonderful weekend, and thank you for your continued support.**

Headteacher's Award

Congratulations to **Lois in Y6** who has really impressed me this week with the time and attention she focuses on our younger pupils.

You are so kind, helpful, encouraging and engaging **Lois**. You should be very proud of yourself – we are incredibly proud of you here at school.

Thank you for being so caring and kind in school.

Lois requested that her face was not in the picture, so please enjoy the attached image of her certificate!
