Message from Mrs Gaulton

Thank you for all your support throughout another busy half term.

There has been so much to celebrate, and we've ended the term with a fantastic start to the spooky season at Styal!

Congratulations to our winners in the Breakfast Club Halloween Colouring Competition and thank you to everyone who entered the POS Pumpkin Competition. There were some excellent entries this year. A huge well done to our 3 winners too! Please take a look at the photos later in the newsletter.

A huge thank you to POS for organising another brilliant Halloween Disco event and to all the families who supported it. The children have had a wonderful time. There is always so much thought and preparation that goes into it. Our school community are very lucky. I managed to snap a few pictures - take a look!

Please check the updated **Save the Date** section at the end of the newsletter, as there have been some additions and changes made ahead of next half term.

After the half term break, Anthony and Nathan, our sports coaches, will be launching their after-school sports club. It will run for the first six Fridays of next half term. Please see the attached flyer for booking information.

We are also delighted that the **Manchester Airport Volunteer Group** will be decorating areas of the school during the break. We are incredibly grateful to the airport team, **Warden** and **WHG** for their generosity and support with this project.

We wish all our families a lovely half-term break and look forward to welcoming everyone back on **Tuesday 3rd November**.

Stay safe and enjoy Halloween!

Celebrating our wonderful children this week …

Wonderful work this week

Great work from **Evan and Oliver in Rec** this week.

The boys have completed some super work based on the story of The 3 Little Pigs.

You have tried incredibly hard boys with your pencil control and grip and your writing.

Well done!

Wonderful work this week

Amazing work from **Aaliya in Y3** this week.

You have worked so hard with Miss Coventry in your Maths work **Aaliya**, using the part-whole model in addition.

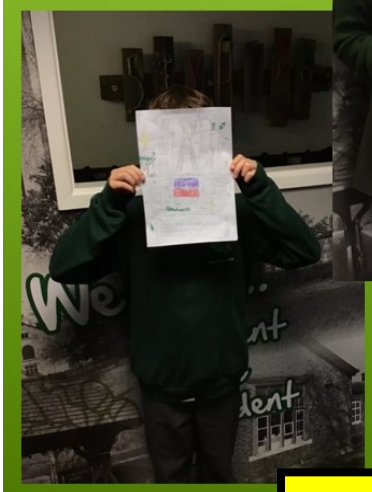

We are so proud of you!

Wonderful work this week

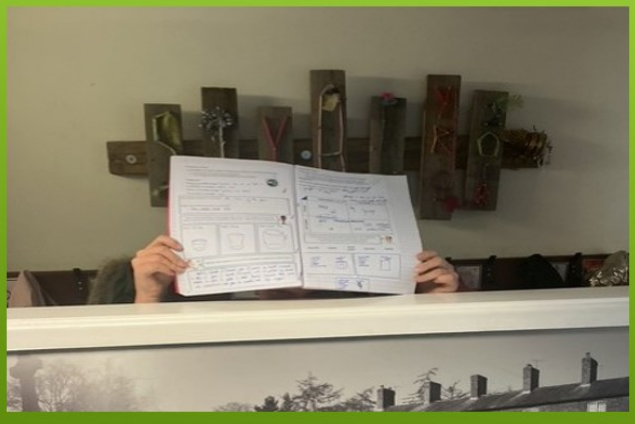

Superb Geography work in **Y6** this week with **Elsie, Alyssia and Seb** producing some fascinating information texts about different parts of the world.

I learnt something knew from each piece of work and the children spoke confidently and enthusiastically about what they had learnt.

Well done!

You may notice, we have some very camera-shy pupils in Y6!

Wonderful work this week

Excellent Science work from **Lois in Y6** this week.

Lois compared different materials and their properties, including identifying permeable and impermeable examples.

Well done **Lois**!

Celebrating our wonderful children this week …

Special mention this week

Styal Parish Council (and all of us here at school) want to thank **Seren and Benjamin** for their hard work decorating the village ahead of Remembrance Sunday.

You have done an amazing job and didn't allow the rain to dampen your spirits!

Well done and THANK YOU!
