Maths

This term the children will be learning about multiplication. They will be learning how to count in multiples and how to use pictures to answer multiplication questions they are unsure of. They are concentrating on the 2, 5, and 10 times tables. We will also be continuing to develop our number facts and addition and subtraction work.

P.H.S.E

This half term we will learn about keeping safe online and how online content can impact feelings. We will learn how to make safe choices and what we watch or share online including the importance of not sharing personal information.

Design Technology

We are going to be designing and making moving picture cards. Children will learn all about different mechanisms and how to make them.

Literacy

We will be reading a range of fiction and non-fiction books about London and other famous capitals We will be writing our own stories based on Katie In London, information texts about London and diaries linked the Great Fire Of London.

Physical Education

This half term we will be working on developing balance, agility and co-ordination in dance. Finishing with learning a Great Fire of London inspired dance.

In athletics, we will practice and improve our running, jumping, throwing and skipping skills.

Science

Our Science unit this term continues to be Animals, Including Humans. We will be planning, carrying out and evaluating an experiment linked to habitats.

We will learn about how humans and other animals need good hygiene and a balanced diet to grow into healthy adults.

Computing/Music

This half term we will be using an online programme called Chrome Music Lab to create our own music. We will learn to select notes to make our own tunes linked to animals and how to edit and refine our work.

In music this half term we will learn our Christmas Nativity songs and continue our recorder sessions.

Year 2 Theme - Crazy Capitals

History

In history, we will be finding out about The Great Fire of London and discussing the reliability of a range of sources. We will be learning about how life was different in the past.

Geography

In geography, this term we will be learning about the continents and oceans of the world. With a focus on using maps to identify where they can be found.

Year Two

Autumn Term 2

Meole Brace C of E Primary School and Nursery

Religious Education

This half term we will be thinking about Incarnation and we will be trying to understand why Christmas is important to Christians. We will be able to retell the story of Jesus' birth and understand that these stories about Jesus' life come from the Gospels. We will reflect on what we are thankful for at Christmas time and be able to give examples of things Christians do at Christmas which link to the Christmas story.

PE Days

We will have PE on Monday afternoons.

All children must have navy blue or black shorts or jogging bottoms, a school PE t-shirt (red, blue, green or yellow), sweatshirt, trainers or pumps.

Reading

Children with have a daily reading session where they will read to a Teacher, Teaching Assistant, in a group or independently. Please ensure that reading books and reading diaries are brought to school everyday.

Important Reminders

Meole Brace
C of E Primary School and Nursery

Forest School

We will go to Forest School every other

Thursday afternoon **(November 5th, 20th, December 4th).** Please bring appropriate clothing to school with you. Such as a waterproof coat, warm trousers and sensible footwear.

Don't forget

- Bring a water bottle in everyday with fresh clean water.
- Put your name on your clothing.
- You won't need a pencil case because we will provide everything you need.
- Leave toys and games at home.
