

Set: Friday 14th November 2025

Due: Wednesday 19th November 2025

Year 2 English homework

We all have the power to make a difference by being kind, caring, and standing up for others. Please write an acrostic poem about FRIENDSHIP, KINDNESS or another positive power, to show how we can use our words and actions for good.

An acrostic poem uses each letter of a word to start a new line. Each line can be a word, phrase, or sentence about the theme. You don't need to rhyme — just focus on the meaning!

Here's a WAGOLL (What A Good One Looks Like):

Friends always help each other.
Remember to use kind words.
If someone is lonely, invite them to play.
Everyone deserves respect.
Never leave people out.
Do the right thing, even when it's hard.
Share your smile with others.
Help when someone is sad.
I care about my classmates.
Power for good means standing up for others.

Challenge: Add a colourful border and/or drawings to decorate your poem!

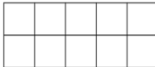

Hopefully we can make a beautiful classroom display with all your work.

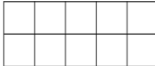

Thanks, have a good weekend,
Mr. Coates

Year 2 maths homework

Complete the number sentences.

You can use the ten frames to help.

1. $\boxed{4} + \boxed{6} = \boxed{}$ 

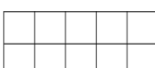

2. $\boxed{} + \boxed{2} = \boxed{10}$ 

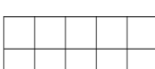

3. $\boxed{10} = \boxed{7} + \boxed{}$ 

4. $\boxed{} + \boxed{1} = \boxed{10}$ 

5. $\boxed{10} = \boxed{} + \boxed{5}$ 

6. $\boxed{10} = \boxed{8} + \boxed{}$ 

7. $\boxed{} + \boxed{0} = \boxed{10}$ 

8. $\boxed{10} = \boxed{1} + \boxed{}$ 

Find all the number bonds of 10 that are hidden in the grid.

These are hidden vertically, horizontally and diagonally.

1	+	9	6	+	6	2	4	+
2	6	+	4	0	5	+	1	9
+	10	+	8	+	6	3	+	6
3	3	+	7	10	1	+	5	+
5	+	8	+	1	7	+	3	2
+	5	+	4	2	+	10	2	+
5	+	2	8	+	4	+	+	2
5	+	9	+	1	4	0	10	+
0	7	4	+	5	+	7	+	8
