

Year 2 maths homework: I can add a 2-digit number and tens.

$25 + 20 =$

$17 + 20 =$

$23 + 20 =$

$18 + 30 =$

$11 + 30 =$

a)  $15 + 20 = \boxed{\phantom{00}}$

b)  $10 + 36 = \boxed{\phantom{00}}$

$25 + 20 = \boxed{\phantom{00}}$

$20 + 36 = \boxed{\phantom{00}}$

$35 + 20 = \boxed{\phantom{00}}$

$30 + 36 = \boxed{\phantom{00}}$

Challenge (optional):

c)  $\boxed{\phantom{00}} = 21 + 50$

d)  $43 + 20 = \boxed{\phantom{00}}$

$\boxed{\phantom{00}} = 21 + 60$

$30 + 43 = \boxed{\phantom{00}}$

$\boxed{\phantom{00}} = 21 + 70$

$\boxed{\phantom{00}} = 40 + 43$

Thanks, Mr Coates

Year 2 Harmony Week Creative Homework

We are all different, all equal, and we respect everyone - whatever their culture or beliefs.

Next week is Harmony Week, when we celebrate how our differences make the world a brighter, kinder place.

For your creative homework, please choose one of the following activities:

Option 1 - Art

Create a picture, collage or painting that shows how people can live in harmony.

You could:

Draw or paint people of different cultures, families or beliefs together.

Show hands, hearts, or symbols of peace.

Use bright colours to represent unity and friendship.

Option 2 - Write a poem

You could include:

What makes you special or unique.

How we can show kindness and respect to others.

How our differences make the world wonderful.

Example to start you off:

*We come from places far and near,*

*We speak with voices kind and clear.*

*Our hearts all beat the same, you see –*

*That's what makes us family!*

I can't wait to see what you come up with!

As it's a creative one, this will be your last homework (apart from maths) of the half term.

Thanks,

Mr Coates
