

Nursery Newsletter - Summer 1

Welcome back after the Easter break, we hope that you have had a lovely time. We would like to wish a very warm welcome to our new starters this term. You will receive a Newsletter and topic web each term. In addition to this we share photographs of our learning each week in our 'Nursery News' which is uploaded to Tapestry.

Topic

Our topic 'Our Wonderful World' is all about exploring the amazing outdoors and discovering the tiny creatures that share our planet. We will go on exciting adventures to hunt for minibeasts, learning about where they live and what makes them special. At Forest School, we will even build our very own minibeast hotel to give them a safe and cosy home. As part of our learning, we will explore the life cycle of a caterpillar, watching how it transforms into a beautiful butterfly. We will also dive into the wonders of the ocean, learning about sea creatures and their underwater homes. Along the way, we'll explore the season of summer and how it brings warmth, sunshine and lots of new life to our wonderful world.
