Year 4

AUTUMN NEWSLETTER

School

WELCOME

Dear Parents and Guardians,

Welcome to Year 4! We hope that you all had an enjoyable summer.

We've already had a fantastic start to September and been so impressed with how well the children have settled into their new routines. We've been taking part in many activities, including sharing our holiday news, exploring the school rules, art for our new class display and discussions all about our class and the year ahead!

MEET YOUR TEACHERS

Mrs. Palf, Mrs. Hughes and Mrs. Barlow

Mrs. Palf will teach the class on a Monday and Tuesday and Mrs. Hughes will teach Wednesday, Thursday and Friday. We are lucky to also have the support of Mrs. Barlow throughout the week.

YEAR 4 HIGHLIGHTS

Noddfa
1st October

Condover 28th
- 30th April

Swimming
(Thursdays)
Summer Term

WHAT WE'RE LEARNING

RE

In addition to our admission to communion, we are learning all about how to be advocates for change this term.

English

Our first class text is 'Counting on Katherine' - all about Katherine Johnson.

Maths

We begin the year with a topic on place value, before moving onto addition, subtraction, multiplication and division

History

Our History topic will be Ancient Greece this term.

Please refer to the Autumn Topic Web for further Information

snacks - just
fruit and a
reminder no
nuts please.

Homework is due
in each
Wednesday
please.

PE is on a
Monday and
Friday. Kits
to be in
school at all
times please.

Please check
Mrs. Kirby's
newsletter for
updates

HOMework

Homework will be set each Friday and collected in the following Wednesday.

The children will have one book to complete either a maths or english task in, unless we set an online homework.

We now have access to two new online platforms, spelling shed and letter join - login details can be found in your child's reading record. These are in addition to Timestable Rockstars and maths.co.uk.

It is our expectation that the children complete one set piece of homework given by the member of staff in addition to learning their spellings, practising their timestables and continued reading at home. This is inline with our whole school focus on securing those fundamental skills and raising the standards.

MULTIPLICATION CHECK

The multiplication check will take place within a two-week window from Monday 7th June 2027. The purpose of the check is to determine whether the children can recall their 12x12 tables fluently.

We will support the children throughout the year in learning their tables fluently, but it is vital they continue to practice at home too. We would greatly appreciate any support you are able to offer at home in securing a routine of regular practice.

Thank you all for such a positive start to the school year - we are thoroughly looking forward to the exciting year ahead.

Love each other, as God loves us.
John 15:12
