HA JH I'm representing all the silent voices unheard,
(Still) TR HD All who are bullied and hurt by words.
(Still) TR Making right choices, still showing we care,
And we stand together, coz love should be shared.
(Still) HA EH I'm representing those who need a friend,
(Still) SW HD Those who need help to make it end.
(Still) TR EH Speaking up, still standing tall,
And I'm showing God's love for all!

FJe, NQ, AD + SH, HP, LB:

Break the silence, use your voice,
To care for others, is a choice,
Defend the right, step in to fight,
And don't be afraid to support the light.
Kindness is great, kindness is good,
Kindness is something you want to love.
Be a teammate, of the great,
Use your voice, to scare the hate.
Never stop, until you break,
So always carry, all your faith.

AW, EP, SD + HT:

Behind the smile that could be a problem
Words can hurt more than they let on.
Nobody should feel alone.
Use your voice like I have shown.
Together, we can make a difference,
It does not matter what the distance.
Break the silence, you should know,
Kindness is the way to go.
Speak up, defend your friend,
Be the one to bring the end.
To bullying around the world,
Just be nice, boys and girls.
Together, we can make a difference.
It does not matter what the distance,
Break the silence, you should know.
Kindness is the way to go,
We won't stay silent, we use our voices.
So what do we need to make the right choices?
We don't need a microphone or a stage,
All we need is to make a change.
Behind the smile, there could be a problem,
Words can hurt more than they let on.
Nobody should feel alone,
Use your voice like I have shown.
Kindness is the way to go…

FJo, WB + AM, VJ:

Bullies ain't cool but kindness is cooler.
Do the right thing, support one other,
Treat a friend, like a brother,
No one left out, no need to pout,
The change starts with you,
The change starts with me,
Be strong, like a bumblebee.

EC; MF, HF:

When you're alone and you're on your own,
You don't feel strong, like you don't belong,
Break the silence, shout it out,
Therell be friends and fam about.
Who will help you, by your side,
Others can help and be your guide.

HG, ER + MP:

Speak up for what's right,
Always be bright.
If you see a friend
That's down then defend.
You have a choice,
So use your voice.
Be bold and stand,
Hand in hand.
Together, make a difference,
If everyone listens,
This is the end,
And we are all friends.
