The teachers and key workers will work closely together to nurture your child's development and provide exciting and engaging learning opportunities for them. If you have any questions or concerns please speak to us.

Our Day

The doors will open in the morning at 9am and the day finishes at 3pm. Half day sessions run 9am-12pm or 12pm-3pm. During the day, we will be busy doing arts, circle times, speaking and listening, maths, literacy and physical activities. We will spend a lot of time outdoors, whatever the weather, so please ensure your child is dressed in appropriate clothing for the weather including a coat. If it is hot it is essential that they have a hat and sun cream. They will need a pair of wellies and some changes of clothes in a named bag. Each day please send in a water bottle. If they are doing a full day or afternoon session, they will need a packed lunch. We have a strict no nut policy due to allergies. Please ensure everything is fully labelled so we can return it to your child.

Tapestry

We will use Tapestry to keep you informed about your child's learning and there will be two parent's evenings through the year.

In September, we will send you a Swans starter pack with information about your key worker.
