

Login Guidance for parents and pupils

1 - Type the following URL into a browser: www.edshed.com/en-gb/login or search for Edshed in a browser to get to the 'sign in' page.

2 - When on the 'sign in' page, click 'QR sign in' icon and scan the QR code your child has been provided with. Alternatively, type your child's username and password in the relevant sections.

The image shows the "Sign In" page of the Spelling Shed website. At the top left, the text "Sign In" is displayed. Below it are two tabs: "Global Username / Email" and "School Username". To the right of these tabs is a "QR Sign In" button, which is circled in red with a red arrow pointing to it. Below the tabs is a yellow warning box with a triangle icon and the text: "If you have a newer 'School Username' please click the tab above. Older / existing / adult logins will use this form." Below the warning box are two input fields: "Global Username or Email Address" and "Password". Below the password field is a link that says "Forgotten Password?". At the bottom right is a yellow "Sign In" button with a right-pointing arrow.

3 - To access the set homework assignment click on the 'play' icon on the Spelling Shed image. There will be a red box signifying if there is an assignment to be completed.

4 - Then, click on the relevant assignment (see example below).

5 - Finally, select which 'game' format to use when practising the week's spelling words, which level of difficulty and whether you want the words to be provided in a phonetical format. Repeat as many times as you wish.
