CURRICULUM

In Year 5 your child will be enjoying a range of exciting chapter books and we hope they'll start to develop some favourite authors too! It's still incredibly important to read to them and listen to them read regularly. In reading they will learn to:

- Read aloud with intonation, tone and volume — showing awareness of their audience
- Recommend books based on personal reading preferences
- Explore a wide range of genres and identify key features of different text types
- Discuss how authors use language and vocabulary for impact
- Use organisational features of non-fiction texts to retrieve and record information

***Our wider curriculum supports and strengthens reading skills.
Topics this year include:***

Science Earth & space, forces, properties and changes of materials, living things and their habitats

Geography Mexico, Rivers and Coasts, Natural Disasters

History Mayans, Ancient Egyptians, Crime and Punishment

5RE — Supporting Your Child

SUPPORTING YOUR CHILD

Reading at home

Just 20 minutes of reading each night makes a real difference to progress and confidence.

- Read to them and listen to them read — even confident readers benefit enormously
- Explore non-fiction books and documentaries linked to their topics
- Share books your child enjoys and talk about what they've read
- Sign the reading diary regularly — it helps us celebrate their efforts

Non-fiction books and resources linked to their topics are a great way to extend learning at home. Your local library is a brilliant starting point.

Homework

Homework tasks are set every Thursday and published on the class page of the school website. These should be completed by the following Thursday.

Staying in touch

Throughout the year we'll invite you in to see your child's learning and celebrate their achievements. Keep an eye on the weekly bulletin so you don't miss these moments.
