About Us

Superstars Holiday Clubs provide Holiday Camps, Birthday Parties, Wraparound Care within school settings and Academies (Football and Sewing) across the North West.

Superstars has been offering holiday camps for nearly 20 years and is now delivering this Easter to 25 holiday camps venues (four new venues have half price opening offers this easter) offering a wide range of activities to keep children engaged, active and fun. Our main core has been Multi Sports, Football and Dance with Superstars now adding Lego to their core day.

Superstars has for over twelve years of holiday camps offered specialist activities, and these camps are aimed at encouraging children to have life long hobbies.

All staff working for Superstars have an enhanced DBS check and safeguarding training. One member of staff will be first aid trained. Most of our Superstars Holiday Camp staff are local teaching staff that come to work for Superstars over the school holidays.
