

Bitesize Bookworms

2026 is the National Year of Reading, a major UK-wide campaign encouraging people to Go All In and rediscover the joy of reading by linking it to what they already love – music, sport, hobbies, and more.

To celebrate, TGJones – the nation’s favourite bookseller and stationer – is running an exciting competition called Bitesize Bookworms, asking children to describe their favourite book, in 25 words or less, for the chance to win exciting prizes for them and their school.
